Don

Should we allow the plumber to determine how to make the lines properly gravity flow and warranty there work for a specified period of time?

The warranty should be to (b) (6)

Angela:

For preparation of a RFQ for replacement of the sanitary sewer line in the backyards of both (b) (6) Street:

- \* Removal of existing service from both residences to primary service line in each backyard, installed to gravity drain to main in the alley (north of residences);
- \* Installation of 4" Schedule 80 service, with (2) cleanouts and with sufficient couplings/fittings;
- \* Backfill construction with topsoil, lightly hand tamp and restore grade away from the house to the backyard;
- \* Reinstall/replace any Zoysia grass sod removed during removal/construction activities;
- \* Removal of any contractor generated debris/trash/remaining materials.

Oscar and Tom will provide measurements to you later this morning.

Thanks,

Don
